

STUDENT PERFORMANCE ANALYTICS & DECISION SUPPORT SYSTEM

1. Performance Requirements

ID	Requirement
NFR001	Dashboard should load within 5 seconds
NFR002	System should support 2000+ student records
NFR003	Reports should generate without manual calculations

2. Security Requirements

ID	Requirement
NFR004	Student data should be protected
NFR005	Access should be role-based
NFR006	Sensitive information should not be publicly accessible

3. Usability Requirements

ID	Requirement
NFR007	Dashboard should be easy for teachers to understand
NFR008	Reports should use clear visualizations
NFR009	Training documentation should be available

4. Reliability Requirements

ID	Requirement
NFR010	Data validation should prevent incorrect entries
NFR011	Reports should produce consistent results

5. Maintainability Requirements

ID	Requirement
NFR012	Solution should support future expansion
NFR013	Data refresh process should be documented
